Respected Sir/Madam,

I am writing this email to request you for permission to host and organise Newspaper Floor Is Lava. A student event that we propose to conduct on 10 October 2026.

The following are the details of the event:

- Event Name: Newspaper floor is lava.
- Date: 10 October 2026
- Target Audience: 1st-year and 2nd-year students
- Duration: One day
- Event Type: Non-Technical
- Venue: Lobby Area

Concept: A fast-paced team race where feet can never touch the bare ground.

How it Works: Teams of 4–5 freshers receive 3 sheets of newspaper or thick cardboard. They must lay them down step-by-step to cross a 15-meter stretch of the courtyard. The entire team must cross using only those 3 sheets, passing the trailing sheet forward to advance. If anyone touches the ground, the team resets.

Props Needed: Newspapers or cardboard tiles.

We kindly request you to approve our proposal so that we can host and organise Newspaper Floor Is Lava. We respectfully request permission to conduct a brief 15-minute Freshers Day icebreaker event in the lobby area to warmly welcome our incoming batch. The lobby provides the ideal open space to foster student engagement while ensuring zero disruption to nearby ongoing classes. Our team takes full responsibility for managing the crowd smoothly and restoring the area to complete cleanliness immediately afterward.

We would be grateful if you could provide us with your support in this matter.

Yours sincerely,

Bhuvan

Praneeth
